WESTMINSTER SCHOOL

ADMISSIONS AND AWARDS POLICY FOR SEPTEMBER 2022 ENTRY

Westminster School is an ancient School, whose origins can be traced to a charity school established by the Benedictine monks of Westminster Abbey in 1066 before the Norman Conquest. Its continuous existence is certain from the 14th century. Henry VII personally ensured the School's survival by statute and Elizabeth I, who confirmed royal patronage in 1560, is celebrated as the School's foundress. The School has throughout its history provided boarding and day education for boys, and to this day remains predominantly a boys' school. However, girls were first formally admitted to the School in 1973 and today up to 70 girls are admitted at 16+ for A Level, both boarding and day.

AIMS

- To ensure compliance with the School's charitable object as a Public School for Young Persons, Westminster provides independent education for young persons, namely boys between the ages of 13 and 18 and girls between the ages of 16 and 18.
- To set selection criteria and procedures that are consistent with this charitable object and fair to applicants.
- To identify applicants whose academic and other abilities appear to match the ethos and standards of the School and whose personal qualities suggest they have the potential to contribute sufficiently to the School community and benefit from the many opportunities that are offered here.

RESPONSIBILITY FOR ADMISSIONS

The Head Master is responsible for admissions and for the operation of this policy. The selection criteria and interview procedure are determined and reviewed from time to time. Documents supporting each application for admission, together with selection and interview notes, are retained by the School for at least one year after the 13+ interview or 16+ examination, whether or not the applicant is offered a place. Each year the Governing Body reviews the admission statistics.

ENTRY POINTS

Westminster School accepts about 120 boy pupils at 13+, including those from Westminster Under School, and a further 75 girl and boy pupils at 16+.

The School takes the applicant's age on 1 September to determine qualification for entry at 13+ or 16+. For 13+ entrants their fourteenth birthday, and for 16+ entrants their seventeenth birthday, should fall between 1 September and 31 August of their first academic year at the School. Exceptions may be made at the discretion of the Head Master, but the School's aim is to maintain the social cohesion of each year group. Places may occasionally be available at non-standard entry points.

ADMISSIONS TIMETABLE

13+ entry

Parents may register their son for admission to Westminster School at 13+ from three years before his point of entry. A non-refundable registration fee of £200 is payable.

At the School's discretion a boy may in exceptional circumstances be registered for admission at 13+ less than three years before his point of entry but the School reserves the right to refuse such a registration without explanation.

While an applicant is in Year 6 (the academic year of his 11th birthday), he takes the Independent Schools Examination Board tests in English, Mathematics and Reasoning and the Head of his present school is asked to send a report. Following the tests he may be invited to Westminster for interview. This process applies to those boys who entered Westminster Under School before the 11+ stage. (For information about the tests and interview see below.) Parents who have not received a letter inviting their son to take the tests by the end of his time in Year 6 are requested to write to the Registrar or to telephone. The School does not take responsibility for administrative errors, letters that go astray or emails that are not delivered.

Boys who enter Westminster Under School at the 11+ stage are deemed to have qualified for a place at Westminster School without further test or interview, but subject to satisfactory work and behaviour.

Following the interview and the receipt of a report from the applicant's Head, a letter is sent to parents. Parents who wish to accept the offer of a place must return a signed acceptance form and pay £5,000 as follows:

1. The non-refundable entrance fee of £1,500 which must be paid no later than the second Monday in January in the year *before* a boy is due to enter the School (i.e.: 20 months before entry). If payment has not been made by that time, the School reserves the right to withdraw the offer of a place. Once paid, this entrance fee is not refundable should a parent subsequently decide not to take up the place offered. The entrance fee is not refundable against the final term's fees.

Boys who join Westminster at 13+ from Westminster Under School do not have to pay a further entrance fee.

2. An acceptance deposit of £3,500 is required to confirm the place by the first Monday in September in the year before a boy is due to enter the School (i.e.: 12 months before entry). This deposit will be returned to parents at the start of the term after the boy has left the School.

Should a parent subsequently decide not to take up the place offered *before* the end of the Lent (Spring) term before the boy is due to enter the School, the deposit may be withheld in whole or in part to offset the genuine estimate by the School of the loss it will suffer by the parents failing to honour the contract with the School.

Should a parent subsequently decide not to take up the place offered *after* the end of the Lent (Spring) term before the boy is due to enter the School, the deposit may be withheld in whole or in part to offset the genuine estimate by the School of the loss it will suffer by the parents failing to honour the contract with the School and a term's fees will be charged in lieu of notice.

Boys who join Westminster at 13+ from Westminster Under School do not have to pay a further entrance fee.

Transfer after GCSE from Upper Shell (Year 11) to the Sixth Form (Years 12 and 13) is not automatic. A pupil must qualify for his place by obtaining the required grades at (I)GCSE.

16+ entry

The closing date for registering a girl or boy for admission at 16+ is published annually in June of the calendar year before the applicant's proposed entry to the School. A non-refundable registration fee of £200 is payable.

Entrance examinations and interviews for 16+ admission take place in November of the academic year preceding the candidate's proposed entry into the school. A candidate's parents must inform the Head of their child's present school in advance of their intention to apply to Westminster.

Those candidates invited for the interviews and additional exams are required to be present in School on the scheduled day.

Offers of conditional* places for 16+ candidates are made before the end of the Play (autumn) Term of the academic year preceding the candidate's proposed entry to the School.

Parents who wish to accept the offer of a place must return a signed acceptance form and pay £5,000 no later than the second Monday in January in the academic year *before* the pupil is due to enter the School as follows:

1. The non-refundable entrance fee of £1,500. If payment has not been made by that time, the School reserves the right to withdraw the offer of a conditional place. Once paid, this entrance fee is not refundable should a parent subsequently decide not to take up the place offered. The entrance fee is not refundable against the final term's fees.
2. An acceptance deposit of £3,500 is also required to confirm the place. This deposit will be returned to parents at the start of the term after the pupil has left the School.

Should a parent subsequently decide not to take up the place offered *before* the end of the Lent (Spring) term before the child is due to enter the School, the deposit may be withheld in whole or in part to offset the genuine estimate by the School of the loss it will suffer by the parents failing to honour the contract with the School.

Should a parent subsequently decide not to take up the place offered *after* the end of the Lent (Spring) term before the child is due to enter the School, the deposit may be withheld in whole or in part to offset the genuine estimate by the School of the loss it will suffer by the parents failing to honour the contract with the School and a term's fees will be charged in lieu of notice.

3. Parents living overseas who wish to accept an offer for 16+ pupils must pay a non-refundable entrance fee of £1,500 and an acceptance deposit of £5,000 instead of the amounts noted above.

A girl or boy who has been offered a conditional place must subsequently qualify for their place at Westminster School by obtaining the required grades at (I)GCSE. This requirement may be waived if the candidate attends a school that does not enter pupils for (I)GCSE.

SCHOLARSHIPS AND EXHIBITIONS

Eight academic Queen's Scholarships are awarded each year to boys entering the School at 13+ and 4 Queen's Scholarships are awarded each year to girls entering the School at 16+. All Queen's Scholars must board in College.

Award of a 13+ Queen's Scholarship is made based on The Challenge which is also open to candidates including those who are not registered and do not, therefore, hold a place. The School is not obliged to offer a commoner place to such candidates if they are not elected to a Queen's Scholarship. Scholarships are not awarded at any other point of entry or other time at the School. Award of a 16+ Scholarship is made based on the 16+ entry examinations and interviews as described above.

The scholarship currently gives a fee reduction which requires parents of Queen's Scholars to pay the Queen's Scholars' fee which is currently set at 20% less than the boarding fee for 13+ entrants and 40% less for 16+ entrants.

All scholarships may be increased by a means-tested bursary to the value of the full boarding fee in line with the School's Bursaries Policy. The School is not obliged to offer a commoner place to such candidates if they are not elected to a Queen's Scholarship.

Scholarships are not awarded at any other point of entry or other time at the School.

Academic exhibitions and subject prizes

Academic Exhibitions and the Subject Prizes are awarded internally at the end of Year 9.

From 2022 there is no longer an option to sit the Challenge for an Honorary Scholarship (day place).

Music Scholarships and Exhibitions

There are also Music Scholarships and Exhibitions for 13+ and 16+ candidates based on an applicant's musical ability. Candidates must audition for the Music Scholarships, offering at least two instruments and demonstrating a high level of general musicianship and great potential for development. In addition to this, candidates must also win a place at the School on academic merit as described above.

The Music Scholarship gives a fee reduction of 10% of the day fee. It may be increased by a means-tested bursary to the value of the full day fee in line with the School's Bursaries Policy.

Music Scholarships are not awarded at any other time at the School; however, occasional discretionary awards are sometimes made.

Henry Purcell Organ Scholarship

The Dean and Chapter of Westminster Abbey support the 16+ Henry Purcell Organ Scholarship at Westminster School which also brings a remission of 10% of the day fee.

Westminster Exhibitions

Honorary awards are made at the beginning of the Remove in recognition of outstanding academic contributions.

BURSARIES

Eligible

Means-tested bursaries are available on entry to the School, at 11+ only, where the child will have the right to live and study in the UK on commencement of their studies at the School, and at least one of the parents and the child have lived in the UK for at least two continuous years at the time of applying for a bursary.

Parents who qualify under the above criteria must also live inside the M25 London orbital at the time of applying for a bursary and whilst their child is in receipt of bursary funding from School. The expectation is that their child will commute from home to School each day.

Other than for Queen's Scholars in the Great School, bursaries are available for day pupils only.

Not eligible

Bursaries are not available to children of parents who have not lived in the UK continuously in the two years prior to applying for a bursary; or live outside the M25 London orbital at the date of application for a bursary or whilst their child is in receipt of bursary funding from School.

SELECTION

The pre-conditions for admission are that:

- The applicant is of the appropriate age and sufficient maturity.
- The applicant is able to attend School on a regular basis.
- The applicant's learning difficulties and other special needs (if any) can, in the opinion of the Head Master, be managed with the provision of reasonable adjustments under the Equality Act (2010).
- Westminster School will accept pupils whose first language is not English, but lessons move at a fast pace and a pupil who does not speak good English will not cope so proficiency in English will be assessed to ensure an applicant has the minimum necessary skills. All pupils experiencing difficulty with their work can receive help from the Study Skills Coordinator.
- The applicant has a legal right to attend school in the UK.

- The applicant's present school reports satisfactory attitudes and conduct on the part of the parents and applicant.
- Fees (if applicable) at the present school have been paid and the parents are able, if required, to satisfy the Head Master that they are in a position to pay the fees for Westminster School.
- In the case of Sixth Form applicants whose parents are resident outside the United Kingdom, satisfactory arrangements have been made for guardianship. A guardian must take the place of the boy's or girl's parents by being available for consultation, assuming responsibility for them (including weekend arrangements for boarders) and accepting the boy or girl home at short notice if need arises, for example illness. (Please see the School's Guardianship and Emergency Contacts Policy).

All admissions will be in accordance with the School's Special Educational Needs and Disabilities Policy.

13+ entry

The academic criteria for selection at 13+ are:

- A strong score in the Independent Schools Examination Board assessments in English, Maths, Verbal Reasoning and Non-verbal Reasoning.
- A positive recommendation from the Head of the applicant's present school.
- A satisfactory interview. A candidate who performs strongly in the ISEB tests and who has received a satisfactory report from his present school will be invited to Westminster for interview and further short tests in English and Mathematics. The style of the interview is intended to be informal and natural. The interviews are conducted by experienced, senior members of staff. They do not include questions that imply racial or religious bias and they are conducted in an objective manner.

16+ entry

The academic criteria for selection at 16+ are:

- High marks in the competitive entrance examinations
- A positive recommendation from the Head of the applicant's present school.
- Satisfactory interviews.

Preference factors

The preference factors subject to selection factors outlined above:

- Relative performance of the applicant in examination, interviews and/or recommendation from his/her present school.
- That the applicant has special aptitudes or gifts. The School is looking for well-rounded and balanced pupils and those with exceptional abilities.

EQUAL OPPORTUNITIES

The School recognises its responsibilities under the Equality Act (2010), which establishes the right for applicants and pupils not to be discriminated against in education.

WAITING LIST

Applicants who are not offered an immediate place at 13+ or 16+ may be placed on a Waiting List.

THE OFFER OF A PLACE

Offers of places at the 13+ stage and conditional places at the 16+ stage are made in writing and separate letters are sent at the same time to the applicant's present school. The School is not obliged to state its reasons for rejection of an applicant.

OCCASIONAL PLACES

The School is occasionally contacted by parents whose son or daughter is no longer able to attend their current school, usually due to a significant relocation. Where spaces are available, we would consider assessing the child for a place using academic assessments and interviews appropriate to the child's stage in education. Any such out of cycle admissions are at the Head Master's discretion.

OVERSEAS APPLICANTS AND VISA REQUIREMENTS

Westminster School welcomes applications from pupils who live overseas. Westminster School is not, however, a suitable boarding school for pupils under 16 years of age (those in Years 9, 10 and 11) whose parents live outside the United Kingdom. Sixth Form pupils (those in Years 12 and 13) with parents living overseas may board at Westminster, but the School must be satisfied in advance that guardianship arrangements are satisfactory.

The UK left the EU on 31 December 2020. Freedom of movement for citizens of countries in the EEA (other than the Republic of Ireland) and Switzerland ended on that date.

Westminster School is licensed by the Home Office to sponsor pupils who require visas to study in the United Kingdom. The School will issue a confirmation of acceptance for studies (CAS) reference number to each pupil requiring a visa if they have been offered and have accepted a place to study at Westminster School. A fee of £1,000 per CAS is payable. The School only offers sponsorship support for pupils in the Sixth Form (i.e.: those in Years 12 and 13).

A pupil requiring a visa to study at Westminster School should apply for a Child Student Visa.

It is the responsibility of the pupil requiring a visa and of their parents to apply to UKVI for a visa at the appropriate time and with the correct documentation and to inform Westminster School that an application is being made.

Westminster School will at all times comply with the rules and procedures of the Home Office.

All enquiries about visa applications should be made to the Registrar or to his assistant, the Admissions Administrator. No one else in the School is authorised to sign a letter supporting a pupil's, or prospective pupil's application for a visa in the UK.
